As the question of the remuneration of the Civil Service may not be finally disposed of very soon it was decided to dispose of the question of ~~of~~ increments to the scale of pay raised in this letter as well as in the file below which was about to be taken up in connection with the C.S. Revised scheme. Meanwhile some of the A.S. Mukhtars are transferred to non-C.S. cadres, giving them their increments may not cause any embarrassment in the scale of salaries with the time scale of salary.

38 Since the note in the file below was submitted the position has changed a little as the permanent posts of the Assistant who are acting as Mukhtars has undergone change of the Division approved of the question by now taken up, a revised draft order will be put up.

The Comptr General says that as Mtt Cons were formerly not on a pensionable scale, & Mtt Comptrollers were, the latter came for the benefit of this, but not the former. Technically & from the Comptroller's view this is correct. But it would be a very great hardship on men who have put in several years service as Mtt Cons

15. Before ~~the~~ any decision can be arrived at regarding the pay that should be allowed to acting and Sub Probn Assistant Commissioners under the reorganisation the following points as to the treatment of their service as such have to be decided:-

(1.) Should the acting service be counted for increments in the same way as Sub Probn service?

(2) If it has to be so counted, should the whole of it be counted or a maximum of three years both acting and sub probn? (as in the case of permt Asst Comrs)

If not should the whole Subprobn service be so counted or a maximum of three years?

(3.) For fixing the pay after this calculation, should the pay to which increments are added be the substantive pay of the Officer or Rs 250/- the minimum pay of an acting Asst Comrs?

16. As regards (1) it seems fair to treat acting service in the same way as Sub Probn Service as the acting service has

Serial No.

continued long and should properly have been treated as subdivision from the beginning.

67. As regards (2) a period of three years was fixed as the maximum for calculation of increments in the case of permanent Asst Comrs. as those men rec'd increments from time to time which the acting and sub Divisn men have not received, such a maximum would be unfair to the latter.

68. The whole service however cannot perhaps be counted as this would in effect mean that an Ag. Asst Comr. is taken to have been confirmed on the day he was first appointed to act. This has probably happened in no case of a similar sort in which confirmation has previously occurred i.e. every officer who acted for some time and was then confirmed has been confirmed from a date later than that of being appointed to act.

69. Perhaps one year or two years of the acting service may be considered as equivalent to probation and the rest of the service counted for increments. Or the whole service may be

Serial No. 1336

counted for increments subject to a maximum of 5 years. This would give an officer who had been acting substantive longer than this period 4 increments - i.e. 350 Rs. on 1-7-22 (taking the starting pay as Rs. 250/-)

10 As regards (3) the initial pay may be taken as Rs 250 – the minimum pay of an Asst Comr

11 If orders are passed on these points the Comptroller will be asked to send a revised statement.

Chfecy

12 The Comptroller's inquiry may, I think, be answered as follows

(a) Both acting & s.p.t. service, as detailed, should be limited to a maximum period of three years, as in the case of permt Asst Comrs:

(b) The benefits of Art 83 c,(ii) should be extended to the Ag Asst Comrs from 1st July 23, as a special case.

General and Revenue Secretariat.

CB File No. 3 of 19 23 1336

73. The statement sent up by the Comptr shews that there is, ~~also~~ practically, only one officer who will be affected by the decision at (a), viz.; Mr. Shamadas, the only ~~Colaba~~ Deputy Whose A & S.P.T. service ~~will be over or liable over~~ over 6 years. Perhaps in this one case an arbitrary salary & date of next increment may be fixed.

74. The answers to both the points raised by the Comptr. would then be in the affirmative. It seems to be unnecessary to keep all the cases for fixing of pay & date of next increment for arbitrary settlement.

9.2.25.

75. Please, with Compliments for favour of opinion.

76 There are two kinds of cases to be considered:- (1) officers who can be confirmed in Non-Civilian places from 22nd September 1924 and (2) officers for whom there are no permanent places in the new Non-Civil Service cadre

77. There are two questions to be considered in the case of the first class of officers:- (1) how should their salary be calculated up to 22nd September 1924 ? and (2) on what initial ~~salary~~ pay they should be started from that date. In the case of officers coming under the second class, the only question is how their acting allowances should be calculated.

NOTE—Contn. Sheet

18 I think that the old scale of pay of Assistant Commissioners was really progressive though it had the added feature of division into classes. To have limited the pay of acting ~~xxx~~ Assistant Commissioners to the minimum was, I think, a hardship to which they were subjected. It is, I think, only fair to give them the benefit of the progressive rates of pay of the appointments in which they have acted. The concession of calculating salary under the new rule contained in Article 83 (c) (ii) may also be extended to them. I do not think it is necessary to restrict the benefit to a maximum ~~of~~ period of three years.

Serial No.

19 As already settled, service -- acting and sub-pro-tem -- up to 1st July 1922 will be reckoned for increments under the annual scale as two-thirds. Thereafter, the whole service will be reckoned for calculating increments.

20 Such of the Officers as can be confirmed from 22nd September 1924 may be started on the stage of pay equal to ~~on which~~ their salary ~~up to~~ on that date ~~is calculated according to the above arrangement~~ and for the purpose of counting time for the next increments, they may be allowed the benefit of the period during which they have drawn that ~~stage of pay~~ rate of Salary.

(1) Mr. R. Shama Rao

(2) " M. S. Hayagriva Rao

(3) " E. H. Thomson

(4) " S. Santaviraswamy

2. The service that can be reckoned for increment in the case of Mr. R. Shama Rao requires consideration. On 1.7.22, he had put in an acting service of 4-4-21 days and a substantive Service of 4 years. But during the acting service of about 2 y. 0 m. 24 days, i.e. up to 4th March 1916, he was drawing a salary less than Rs 250 as his permanent pay during the period was only Rs 175 under G.O. no. 4124 52-63 | 4 M. 134-15-107 dated 4.3.16, fixing the minimum pay of an acting Asst. Commr at Rs 250. He became entitled to Rs 250 from that date, though his permanent pay at the time was less than Rs 200.

His permanent pay was 200 from 10th May 1918.

It is therefore for consideration whether his service as acting Asst. Commr prior to 4th March 1916 when he was drawing less than Rs 250 may be reckoned for increments in the scale 250-25-450, assuming that it does not affect Statements showing the pay admissible to the four officers referred to above in accordance with the principles noted by the Fin. Secretary to Govt from 27th Sept 21, the date on which this appointment was reverted to the subordinate ranks of the Secretariat. Prior to that date, the appointment had been included in the cadre of Asst. Comrs and Mr. C. E. Rama Rao's name was also shown in the list of acting Asst. Comrs: As it has been decided to reckon the acting service of Asst. Commissioners for increment under the annual scale, the service put in by Mr. C. E. Rama Rao from 20th Dec. 1918 to 26th Sept 21 has also to be taken into account for fixing his pay on 1st July 23 If this is done his salary will be Rs 325- from 1.7.23 and Rs 350 from 1st March 24 instead of Rs 275 from 1.7.23 and Rs 300 on 1st Jan 24 as fixed under G.O. No 3498 / C.B. 3-23-23 & 15th May 1924 If is for orders if his pay may be revised as shown in the statement. (vide Mr. Wattenaik's note on Mr. C. E. Rama Rao's representation in the linked file

This may be dealt with separately as his case has already been decided once -

109 I agree to the proposal. I would suggest a para being added to the draft order to indicate how cases of officers appointed subsequent to 1.4.23 are to be dealt with. Those officers will get increments permissible to them under the rules in respect of appointments carrying a progressive scale of pay. There is no doubt the intention is that when the new rules are framed, this clarifying provision will be made in the rules of officers.

111 I agree with the suggestion of the 1st member, but have to note again that all the Civil Service officers have been absorbed in non-Civil Service Cadre appts. 3 since only one vacancy to Excise Dept instead of two, & that as Mr. Chidambaram Chetty of Excise Dept is, under and provisionally permanent, one of the officers the most junior, will either have to be reverted or he, or Mr. Chetty shown as a supernumerary. Mr. Chetty will have no place from the date of the G.O. of March, & this point has to be settled simultaneously in Consultation with Comptroller

112 ✓ This does not appear feasible until an Excise Assistant is appointed for Bellary or Kistna. The deficiency is not only with regard to Excise but also with regard to Revenue, Police &c.

The Extracts should however be taken out & issued separately

NOTE—Contn. Sheet

Submitted to His Highness

In Government Order No. 1521-17/C.B. 3-24-4 dated 6th November 1923 the pay of permanent Assistant Commissioners was fixed on certain principles in the revised scale and it was stated in the same order that the cases of officers who have been acting for long periods as Assistant Commissioners would be reserved for separate consideration.

The question of fixing the salary of acting and sub pro tem Assistant Commissioners in the revised scale of pay was accordingly taken up for consideration. The Financial Secretary who was consulted in the matter has suggested the adoption of the following principles:--

(i) The acting and sub pro tem service put in by these officers up to 1st July 1922 may be reckoned for increments under the annual scale as two-thirds and thereafter the whole service may be reckoned.

(ii) The old scale of pay of the appointments in which they acted may, for the purpose of calculation of increments, be treated as progressive and the concession of calculating salary under the rule contained in Article 83 (c) (ii) Mysore Service Regulations, may also be extended to them.

(iii) These officers will, as in the case of civilians, be allowed to draw the arrears of increments due from 1st July 1923.

(iv) Such of the officers as have been confirmed in the non-Civil Service cadre from 22nd September 1924 may be started on the -stage of pay equal to their salary on that date, or if necessary, on the next stage of pay and for the purpose of counting time for next increment, they may be allowed the benefit of the period during which they have drawn that rate of salary.

All these officers have been working for a number of years as sub pro tem and acting Assistant Commissioners, without getting any increment and so it is considered desirable to allow them to draw increments from 1st July 1923. The proposal involves an extra ex-

expenditure of Rs. 7,880 during the current year as per details contained in the statement attached to the draft order.

The Members of Council are agreeable to these proposals which are embodied in the accompanying draft order. This may be graciously approved.

D. O. No. 237 GAD

Bangalore, dated 1st December 1923.

GEN. & REV. SECTT. Br. 4 DEC 1923 G.A.D. SECTION

Dear Sir,

In continuation of this office D.O.letter G.A.D 211 dated 16th November 1923, forwarding the particulars required in respect of, among others, Acting Assistant Commissioners on Rs 250/-, I beg to state, as regards item No.4, Mr. Suryanarayana Sastry, that the period of 2 years, 4 months and 22 days, during which he was Sub protem Magistrate, Second Grade, was not included in the calculation of the period during which he was Acting Assistant Commissioner, as per your D.O. No.1888/C.B. dated 22nd April 1921.

As, however, this officer's lien in the cadre of Assistant Commissioners from 2nd January 1920 to 28th March 1922 has been recognised in Government Order No.6017-8/C.B.201-21-2 dated 28th March 1922 and he has been treated as an Acting Assistant Commissioner during the

period, it is a point for consideration whether this period should not be added to the period of 1 year 4 months and 23 days, shown against him.

Yours sincerely,

SIR,

With reference to your letter No.694/CB.3-23 dated 13th September 24, I have the honour to forward herewith a statement showing the names of sub-pro-tem and acting Assistant Commissioners and Assistant Comptrollers who were appointed prior to 1st July 23, with details of services rendered in such appointments.

As regards the principles to be applied for services rendered prior to 1st July 22, I beg to point out that the pay of only non-Civil service Assistant Comptrollers was progressive and that of the Assistant Commissioners was fixed, the appointment being divided into several classes of Assistant Commissioners. The service rendered by the Acting and Sub-pro-tem Assistant Commissioners prior to 1st July 22, is therefore ignored. The case of Mr.C.E.Rama Rao, Assistant Secretary to Government has been similarly treated. The names of Acting Assistant Commissioners who were appointed subsequent to 1st July 1923, are not included in the statement as their cases will be disposed of under Article 83 Mysore Service Regulations.

SIR,

With reference to correspondence ending with your letter No.1656/C.B.3-23 dated 8th January 1925, regarding the increment to Acting and Sub protem Assistant Commissioners, I have the honour to request you to be so good as to obtain specific orders of Government on the following points:-

(a) Whether two-thirds of the service rendered by the Officers prior to 1st July 1922, both acting and sub protem, together with the whole service rendered from 1st July 1922 to 1st July 1923, should be limited to a maximum period of three years as in the case of Permanent Assistant Commissioners ;

& (b) Whether the benefits of Article 83(c)(ii) of the Mysore Service Regulations as amended by Addenda and Corrigenda Slip No.15 dated 22nd April 1924 should be extended to the Acting Assistant Commissioners retrospectively from 1st July 1923 as a special case:

In this connection, I beg to point out that all the Acting Assistant Commissioners will get only the minimum pay of Rs. 250/-

43)

on 1st July 1923 as their substantive pay does not exceed Rs 200/- unless Article 83 c(ii) of the Regulations as amended is applied to them as stated above.

A statement showing the salary due to the officers on 1st July 1923 under the rules and what they would be entitled to if the above concession is shown is enclosed. As the calculation of salary and acting allowances presents some difficulty as will be seen from the details furnished in the statement, I would suggest Government fixing the salary and the date of next increment arbitrarily on the merits of each case taking into account the length of service and the permanent pay of the officers.

O R D E R NO. 2750-53/C.S. 3-23-36

Dated Bangalore 19th ~~April~~ June 1925.

In the orders dated 6th November 1923 and 1st May 1924 read above, orders have been passed regarding the allocation of permanent Assistant Commissioners and permanent non-Civil Service Officers of the Secretariat and the Comptroller's Office in the revised scale of pay of these classes of officers sanctioned in the first two orders read above. The case of acting and sub-pro-tem Assistant Commissioners and other Officers had been reserved for separate consideration. Government have since passed orders constituting a non-Civil Service cadre for officers of the various Departments. The acting Assistant Commissioners whose cases were reserved for separate consideration will also now be considered as officers in the non-Civil Service cadre and the cases of all these acting officers ~~will~~ have to be considered together

2. These officers can be put into two classes viz., (i) Officers who can be confirmed in the new non-Civil Service cadre from 22nd September 1924 and (2) Officers for whom there are no permanent places in the cadre. In the case of

(4)

officers of the first of these classes it is necessary to calculate their salary as on 22nd September 1924 and fix the initial pay on which they should be started from that date. In the case of officers coming under the second class, the acting allowance admissible to them has to be fixed.

3. Government direct that the following principles be adopted in fixing the salary etc., of these officers:-

(i) The acting and sub-pro-tem service put in by these officers up to 1st July 1922 will be reckoned for increments under the annual scale as two-thirds and thereafter the whole service will be reckoned.

(ii) The old scale of pay of the appointments in which they acted will, for the purpose of calculation of increments, be treated as progressive and the concession of calculating salary under the rule contained in Article 83 (c) (ii), Mysore Service Regulations, will also be extended to them.

(iii) These officers will, as in the case of civilians, be allowed to draw the arrears of increments due from 1st July 1923.

(iv) Such of the officers as have been confirmed in the non-Civil Service cadre from 22nd September 1924 will be started on the stage of pay equal to their salary on that date, or if necessary, on the next stage of pay and for the purpose of counting time for

* From 1.7.23.

(iv) Officers appointed to act as Assistant Commissioners subsequent to 1st July 1923 will be allowed to draw the increments permissible under the ordinary rules in the M.S.R. in respect of appointments carrying a progressive scale of pay in which they are acting.

ext increment they will be allowed the benefit f the period during which they have drawn that ate of salary.

4. The statement annexed to this G. O. shows he salary of these officers on 1st July 1923 and he date of their next increment etc., in accor- ance with the above principles.

5. The proposals involve an extra expendi- ture of Rs. ~~8,487~~ 7143 which has to be met out of the udgets of the various departments to which the fficers referred to are allocated. The Heads of Departments concerned are requested to state if the expenditure can be met by re-appropriation of sanc- tioned grants or if ~~the~~ any additional grant is ne- cessary to meet the expenditure.
